STA-SERIES LINEAR AIR PUMPS

2 Year
Warranty

Features

- Superior choice for applications that require reliable aeration including septic tanks, ponds, and medical/laboratory
- Oversized diaphragm and shuttle for longer life
- Low pressure alarm available for all models
- Rebuild kits available
- Available for 500 GPD to 1500 GPD systems

Models Available

STA60/80
STA100/120
STA120/150
STA200

Retro-Air Eliminates BioMat

2 Year
Warranty

Features

- Complete septic system repair system that improves flow and returns a failed existing septic system back to optimal flow and performance. Make your septic system work like new again!
- Can be used in place of shaft-style aerators
- Available for 500 GPD to 1500 GPD systems
- Low pressure alarm available for all models

Models Available

RA600	RAPG800
RA800	RAPS1000
RAPS400	RAPG1000
RAPG400	RAPS1200
RAPS600	RAPG1200
RAPG600	RAPS1500
RAPS800	RAPG1500

REGENERATIVE BLOWERS

18 Month
Warranty

Features

- Higher pressure rating than other brands (at deeper water depth)
- Voltage 115/230 volt - single phase - pre-wired 115 volts
- Designed to work in Bio-Microbics®/MicroFast® Systems and Hoot Troy Air Systems®
- Replaces Gast™ R2103, R3105, Fuji VFC 209, FPZSC106 and other models

Models Available

R4247
R5760

ROTARY VANE/REGENERATIVE BLOWERS

1 Year
Warranty

Features

- Requiring no lubrication and low maintenance, the Gast™ full line of Regenerative Blowers are perfect for high volume vacuum or compressed air applications.
- Rebuild kits available

Models Available

Vane	Regenerative
0523	R2103NX*
1023	R3105NX-12*
AT03	R4110-2
AT05	R5125-2

*Note models have changed. R2103 is now R2103NX. R3105-12 is now R3105NX-12.

HIGHHEAD EFFLUENT PUMPS

Features

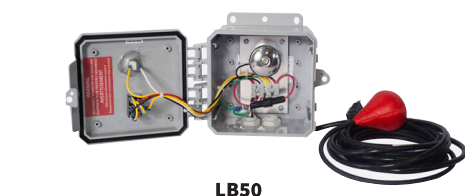

- Submersible pump ideal for high pressure applications
- Pump water or filtered effluent to irrigation sprinklers, drip irrigation, mound or any absorption system
- Floating impeller and spring loaded check valve

18 Month
Warranty

Models Available

BP12-12GPM
BP20-20GPM

HIGH WATER ALARM

Features

- Indoor/Outdoor use
- Audible/visual alarm
- Prewired 7-foot power cord with 3-pronged grounded plug (115V)
- 3-position toggle switch (Operate, Silence, Test)
- 10' float switch

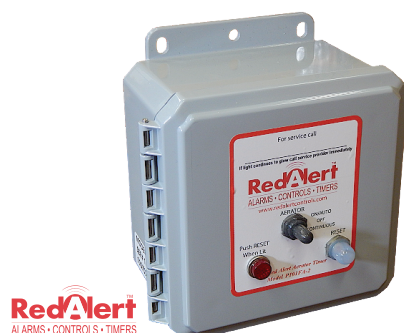

2 Year
Warranty

Models Available

LB50
