

MAXAIR500™ SUBMERSIBLE AERATORS

WWW.MAXAIR500.COM

2-YEAR WARRANTY

The MAXAIR500™ Submersible Aerator is a superior choice for new installations or upgrading an existing submersible aerator.

Multi-Flo/EnviroGuard* alternative

The MAXAIR500 has durable corrosion resistant stainless steel legs with heavy duty rubber feet for solid stability in the tank.

The continuous duty maintenance free motor of the MAXAIR500 is fully enclosed in a stainless steel and powder coated outer shell.

Features

- Low rpm, high torque motor fully enclosed continuous duty
- Thermo overload protected
- Stainless steel motor enclosure & legs
- 15-foot power cord
- 1/2" FPT air hose inlet

The MAXAIR500 submersible aerator is a compatible replacement for the Multi-Flo/EnviroGuard* aerator manufactured to meet or exceed industry standards on performance and reliability.

**MAX Filters™
30 Pack**

Used in a Multi-Flo/EnviroGuard* tank

The MAXAIR500 Submersible Aerator has been independently tested for performance in original manufacturer's tanks and proven to meet or exceed the oxygen transfer rates of original manufacturer's aerator units.
